True ranch plan with all bedrooms conveniently located on the main level! Situated on a spacious .93-acre lot with no HOA, this thoughtfully designed home offers approximately 2,000 square feet of comfortable living space with quality finishes throughout. The attractive exterior features vinyl shake and lap siding, brick-accented front foundation and steps, decorative shutters, a covered concrete rocking chair front porch, and a deep two-car garage. Inside, luxury vinyl plank flooring flows throughout the main living areas, creating a warm and inviting atmosphere. The dedicated study with double doors and molding accents provides the perfect space for a home office, flex room, or library. The open-concept design brings together the family room, dining area, and kitchen into one spacious gathering space. The family room is highlighted by an electric fireplace with custom mantel, creating a comfortable focal point for everyday living and entertaining. Designed for both everyday living and entertaining, the kitchen features quartz countertops, soft-close cabinetry with brushed hardware, a large contrasting island with farmhouse sink, Frigidaire appliances, a custom range hood, herringbone-pattern tile backsplash, walk-in pantry with pocket door, and a convenient microwave station. The dining area is enhanced with elegant wainscoting and decorative lighting. The spacious primary suite offers luxury vinyl plank flooring
